Subject	Number of lessons	Credit points
Practical training I	400	13
Practical training II	400	13

Students may opt for practical training of up to four hundred hours. Higher Vocational School provides courses in Mechanical Engineering, Civil Engineering, Mechatronics and Automotive Management and may organize practical training in companies for incoming students.

Slovenski študenti lahko za izobraževanje in usposabljanje v tujini pridobijo po predhodnem dogovoru in uskladitvi predmetov ali modulov ustrezno število kreditnih točk. Izobraževanje in usposabljanje v tujini se vpiše v prilogo diplomi.

Incoming students, who decide on practical training in our companies, get the credits valued certificate of education and training.
